AMAP works to ensure that conference attendees are together for meals and have sufficient social time that will allow them to get to know one another within the industry. Our mission is to grow the modified asphalt binder industry through precise technology, sharing experiences, and gathering information on national and international highway projects using modified binders.

Online and mailed pre-registration for the conference offers substantial savings. You are urged to pre-register and save with the early discount fee until February 4th. You may fax the pre-registration form to AMAP office and pay by credit card at the time of the conference and be considered pre-registered, but you must fax your pre-registration form to be received in the AMAP office no later than noon on Monday Feb 4th. No faxed or mailed registrations after that time will be received at the AMAP office. After February 4th, you will be required to register at the conference at the regular rates.
